Product Description

Colorful Display LCD Advanced Home Alarm System(ASK Networking)

Product parameter：

| Model | HA-VGT-4G |
|---|---|
| Modulation | ASK |
| Frequency | 433MHz/868MHz (Optional) |
| Signal transmit distance | 100~150M (Open area) |
| Alarm dial method | Internet IP/GSM/GPRS |
| CMS communication protocol | Ademco Contact ID |
| Recording duration | 20s |
| Power adapter | 12V 1.5A |
| Built-in rechargeable battery | 7.4V/2000mAh |
| Standby time | About 14 hours (without 12V power) |
| Panel static current | ＜50mA(exclude wired detector) |
| Panel alarming current | ＜300mA(exclude wired high siren current) |
| Panel maximum output current | 100mA(supply wired detector) |
| Product Size | (L)253*(W)194*(H)35mm |
| Color | White |
| Net Weight | 1500g |
| Operation temperature | 0~45　　(32~120　) |
| Certificate | CE, FCC, ROHS approval |

Features

§ TCP/IP+4G Module, 32 Wireless zones, 8 Wired zones.

§ 2.8''colorful LCD display, full touch screen with tempered glass surface.

§ 2 CMS No.(contact ID), Meian Server & SIA-TCP, SIA-UDP.

§ 8 remotes and keypads，16CH light switch，1 admin pwd, 16 user pwd, 4 voice phone No.

§ Low battery, sensor loss, door open/closed report, 4 group timing arm/disarm.

§ GSM with intercom function

§ 512 alarm logs for inquiry and record. Daylight time and 24 hour time for options.

§ IOS/Andriod mobile APP(P2P), Support unlimited WiFi cameras，Support OTA &SD card upgrading.

Package Includes

1*Panel, 1*PIR, 1*Door sensor, 2*Remotes, 2*CR123A Lithium battery, 2*RFID tags, 1*Resistor, 1*bracket, 1*Adapter, 1*User manual.

Warranty

Product Warranty period(Worldwide): 24 months
