REACH ("Regulation (EC) No 1907/2006 of the European Parliament concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals") is a European Union regulatory framework for chemicals. REACH Article 33 requires any supplier of an article containing Substances of Very High Concern (SVHC) above the threshold of 0.1% weight by weight to provide the customer with sufficient information to allow safe use of the article. Fulfilling our obligation to communicate REACH Substances of Very High Concern (SVHC), HIKVISION clearly notes if any SVHC is identified in products above the threshold in this declaration.
