

**Name:** CCTV keyboard controller  
**Model:** BSC02275

**Special Requirements:**

**Weight:** 1.4KG  
**Volume:** 330\*174\*135MM

**Product Feature**

The joystick of PTZ could control the turning of PTZ conveniently

The layout of the keyboard is so reasonable that make the operation simple and Easy to learn

It can complete all operation and programming of Ancend matrix switch control system.

It not only can control PTZ, lens and other equipments efficiently, but also control speed dome and decoder independently.

Control distance could achieve 1.5 kilometers after connecting EK-3050 master

keyboard with EK-2000/2200/2400 matrix switch control system by RS - 485 Interface

Control DVR: User can use keyboard to operate DVR

**Electrical Specification**

Operating Voltage: DC9V

Rated Power:  $\leq 5W$

Control Interface: RS-485, With Baud rate: 2400bps/s, 4800bps/s, 9600bps/s, 19200bps/s

Protocol: ancend, Pelco-D, Pelco-P,
Connectors:RJ-45 to switcher/controller system via terminal block used for RS-485 And power Equipped with 9VDC regulated power source and terminal block
Architecture and surface: Deep gray plastic support board, aluminum alloy and Sandblast panel, and black button.
<b>Environment</b>
Operating Temperature : -10 ~ 45°C
Storage Temperature : - 30 ~ 70°C
Humidity: Relative humidity 0%~95%(non-condensing)
Vibration:3g sine wave,15Hz~2000Hz
Shock:50g,11ms,1/2sine wave
